Azienda Factory

Siamo un'azienda innovativa specializzata nella vendita e distribuzione di prodotti di alta qualità per il bagno e la cucina. Siamo focalizzati su innovazione, qualità e servizio, investendo continuamente in ricerca e sviluppo per offrire ai nostri clienti prodotti nuovi e diversificati. Produciamo articoli di qualità da più di 20 anni. Abbiamo iniziato come produttori di saliscendi, per poi ampliarci a rubinetti, miscelatori e altre soluzioni per la casa o l'azienda.

Con oltre 2000 prodotti tra cui scegliere, sei sicuro di trovare ciò di cui hai bisogno per il tuo bagno o cucina. Offriamo una vasta gamma di articoli che sono il risultato di ricerca, impegno e dedizione. I nostri prodotti sono sempre in miglioramento per fornire al consumatore la migliore qualità per le sue esigenze.

We are an innovative company specializing in the sale and distribution of high quality products for the bathroom and kitchen. We are focused on innovation, quality and service, continuously investing in research and development to offer our customers new and diversified products. We have been producing quality items for more than 20 years. We started as a manufacturer of sliding rail, and then expanded to taps, mixers and other solutions for the home or business.

With over 2000 products to choose from, you're sure to find what you need for your bathroom or kitchen. We offer a wide range of items that are the result of research, commitment and dedication. Our products are always improving to provide the consumer with the best quality for his needs.

Impegno ecosostenibile

Green philosophy

In Sphera crediamo che l'energia rinnovabile sia il futuro del nostro pianeta. Abbiamo progettato e realizzato una sede completamente alimentata da un sistema di pannelli fotovoltaici per ridurre l'inquinamento e sfruttare appieno l'energia solare. Inoltre la scarsità di acqua globale è una preoccupazione che è stata di fondamentale interesse per Sphera da sempre.

Lo sapevi che facendo una doccia si utilizzano, in media, 30 litri di acqua? Negli anni abbiamo sviluppato articoli che permettono di ridurre, di circa il 30%, la quantità di acqua utilizzata durante il loro utilizzo!

At Sphera we believe that renewable energy is the future of our planet. We have designed and built a site fully powered by a system of photovoltaic panels to reduce pollution and take full advantage of solar energy. Furthermore, global water scarcity is a concern that has always been of fundamental concern to Sphera.

Did you know that taking a shower uses, on average, 30 liters of water? Over the years we have developed articles that allow to reduce, by about 30%, the amount of water used during their use!

Eventi Events

La passione dei titolari per lo sport ha portato l'azienda, nel corso degli anni, a supportare numerose iniziative presenti sul territorio sia a carattere locale che internazionale

The owners' passion for sport has led the company, over the years, to support numerous local and international initiatives in the area

Social media

Il sistema anticalcare, composto da morbidi ugelli in silicone, permette una facile pulizia dal calcare contenuto nell'acqua. Una corretta e frequente pulizia garantiscono una maggiore longevità ed un miglior utilizzo di tutti i nostri prodotti.

The soft silicone nozzles allow an easy cleaning of the lime contained in the water. An efficient and habitual cleaning guarantees longer life to our products.

Sensibili riguardo al rispetto dell'ambiente i prodotti con questo simbolo garantiscono un risparmio d'acqua durante l'utilizzo. In questo modo si ottiene un sempre eccellente risultato con un risparmio del consumo d'acqua.

Products marked with this symbol guarantees to conserve water during the use of shower. The result is always excellent adding a special care to the environment.

I prodotti contraddistinti da questo simbolo permettono una facile apertura per una migliore manutenzione e conseguente durata del soffione.

Products marked with this symbol allow an easy opening of the showerheads for a better maintenance and longer life of product.

Le colonne Shower columns

Sistema A

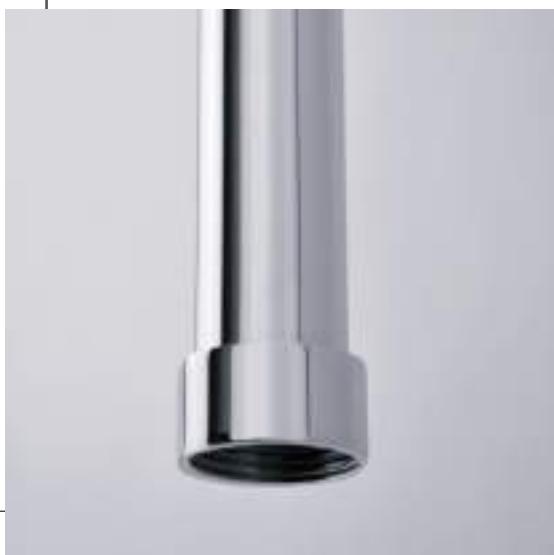

Se la vostra doccia dispone di un miscelatore esterno con deviatore e attacco superiore simile a questo la soluzione A è quella che fa per voi.

Come scegliere la colonna adatta

Le nostre colonne doccia sono adattabili alla rubinetteria esistente e vi permetteranno di rinnovare la vostra doccia senza interventi murari.

How to choose the correct column

Our shower columns can be adapted to existing taps and fittings so that you can restyle your shower without any building work.

System A

If your existing mixer with diverter and upper connection looks like this, solution A is what you need.

Sistema B

Se il miscelatore esterno con attacco superiore è senza deviatore la soluzione corretta è la B.

System B

If your mixer with upper connection looks like this, solution B is what you need.

System C

If you have a concealed mixer the ideal solution is C, complete with wall water connection.

Sistema C

In caso di miscelatore incasso la soluzione C, completa di presa acqua a muro, è quella ideale.

Sistema D

Sia che abbiate un miscelatore incasso, che uno esterno, la soluzione D (comprensiva di deviatore e di supporto colonna con attacco flessibile) è quella corretta.

System D

Solution D (complete with diverter, column support with flexible connection) is perfect for both concealed and external mixers.

Espositori Exhibitors

Condizioni di vendita

1. ORDINI, CONFERMA E CONSEGNA

Gli ordini si intendono accettati da SPHERA SRL al ricevimento da parte del Rivenditore, della conferma d'ordine rilasciata dalla Venditrice (SPHERA SRL). Qualora la conferma d'ordine contenga modifiche rispetto all'ordine, le modifiche si considerano tacitamente accettate trascorse 24 ore dall'invio della stessa, come da nota indicata su nostra conferma ordine, senza che il Cliente abbia contestato per iscritto il proprio dissenso. Ferma restando l'esecuzione degli ordini a seguito di rispettiva conferma d'ordine, SPHERA SRL può sospendere e/o cessare in qualsiasi momento e senza preavviso la produzione dei prodotti qualora esigenze di mercato e/o di produzione lo richiedano, senza che perciò il Rivenditore possa avanzare pretesa o reclamo alcuno. I termini di consegna, se indicati, hanno un valore esclusivamente indicativo e mai tassativo; ogni eventuale ritardo non potrà mai costituire fonte di risarcimento del danno, né causa di risoluzione del contratto. Il termine di consegna concordato verrà automaticamente sospeso in caso di mancato pagamento o ritardato pagamento da parte del Rivenditore.

2. PREZZI

I prezzi sono quelli risultanti nel listino SPHERA SRL in vigore al momento della spedizione delle merci, o, comunque, quelli normalmente praticati dalla venditrice. Sarà facoltà della Venditrice modificare prezzi con un preavviso di 30 gg. I prezzi indicati su catalogo/listino SPHERA SRL sono al netto delle spese di trasporto e sono consigliati al pubblico.

3. CONDIZIONI DI PAGAMENTO

Il mancato e/o ritardo nel pagamento rispetto ai termini indicati nell'ordine dell'Acquirente accettato da SPHERA SRL, o in mancanza, nella fattura SPHERA SRL comporterà un'applicazione di un interesse di mora determinato come ed ai sensi dell'art.5 D. Lgs.231/2022. Eventuali richieste di variazione di pagamento devono essere inviate solo ed esclusivamente in forma scritta. E' a discrezione di SPHERA SRL accettare quanto richiesto. Il rivenditore non potrà proporre domande, azioni, né sollevare eccezioni nei confronti di SPHERA SRL, se non dopo aver provveduto al pagamento di tutto quanto dovuto alla Stessa per capitale, interessi e spese in relazione alle forniture di merci. Le condizioni e le modalità di pagamento, nonché sconti finanziari, cassa e/o commerciali eventualmente previsti saranno comunque sempre subordinati alla circostanza che il pagamento delle forniture venga effettuata nel rispetto dei termini previsti.

4. TRASPORTO

Le spese di trasporto ed assicurazione nonché i rischi connessi al trasporto, sono a carico del Rivenditore e la consegna (e la resa) dei prodotti avviene presso il nostro stabilimento di Via Boggia, 45 Loc. Gattico, Gattico - Veruno.

5. RECLAMI E RESI

Il Cliente pena della decadenza della garanzia, deve esaminare i prodotti ed accertare l'esattezza della fornitura per quantità e qualità entro i successivi 8 gg. E' tenuto a comunicare per iscritto alla Venditrice l'esistenza di difetti e discordanze sulla qualità pena la decadenza della garanzia. Decorso tale termine la fornitura si riterrà accettata senza riserve dal Cliente con la conseguente rinuncia dello Stesso a reclamare in un futuro qualsiasi difetto e/o pretesa. Si accettano resi su ordini errati dal Cliente: le spese di trasporto, reso ed un'addizionale del 20% sull'imponibile sono a carico dello stesso. Saranno a carico del Rivenditore il pagamento di tutte le imposte, tasse, dazi, oneri fiscali e/o amministrativi, nonché i costi e le spese di ogni genere previsti da enti statali, governativi e/o amministrativi relativamente all'acquisto, all'importazione e all'esportazione e alla rivendita di prodotti.

Condizioni di vendita

6. GARANZIA

La garanzia sui prodotti SPHERA SRL è di anni 2 e fa fede la data di acquisto del Rivenditore presso la Venditrice e non è rinnovabile. Per preservare nel tempo la qualità delle finiture, si raccomanda solo ed esclusivamente la pulizia dei prodotti con un panno morbido, acqua e sapone. In nessun caso dovranno essere utilizzati detersivi abrasivi o con sostanze acide o corrosive. La garanzia, invece, non è applicabile nei seguenti casi:

- Errata o non conforme installazione del prodotto;
- Ammacature accidentali dovute a negligenza d'utilizzo o intenzionale;
- Scorretta manutenzione dei Prodotti;
- Scorretto funzionamento del prodotto dovuto alla qualità dell'acqua (esempio ruggine, acqua non potabile con presenza di corpi estranei, calcare...)
- Deterioramento della finitura cromata o verniciata dovuto all'utilizzo di prodotti non consigliati (v. sopra) per la pulizia;
- Difetti estetici quali macchie, graffi o ammacature non comunicate non antecedentemente all'installazione del Prodotto;
- Mancanza di manutenzione del Prodotto quale mancanza di pulizia;
- Smontaggio o manomissione della cartuccia;
- Incuria in sede di cantiere;
- Usura del Prodotto;
- Pressioni superiori a 5 BAR.

7. LEGGE APPLICABILE E FORO COMPETENZE

Qualsiasi rapporto e/o controversia tra le Parti sarà disciplinato e regolato dalla Legge Italiana, ed è di competenza esclusiva del Tribunale di Novara.

8. TRATTAMENTO DATI PERSONALI (Decreto Legislativo 196/2003)

Ai sensi e per effetti del decreto legislativo 196/2003 il sottoscritto dichiara di aver ricevuto la nota informativa di cui all'articolo 13 del citato decreto e di aver preso visione dei diritti dello stesso riconosciutigli. Conseguentemente, presta il proprio consenso incondizionato al trattamento, comunicazione e diffusione in Italia e all'estero, anche in Paesi non appartenenti all'Unione Europea, dei propri dati personali, inclusi i "Dati sensibili". Ciò al fine di catalogazione, elaborazione, conservazione e registrazione degli stessi presso gli archivi della società, oltre che per finalità gestionali, promozionali, pubblicitarie, trasmissioni di informazioni commerciali e tecniche, ricerche di mercato ed in particolare, senza intento limitativo, per tutti gli usi idonei ad assicurare una maggior tutela e sicurezza del bene acquistato. SPHERA SRL si riserva il diritto di modificare articoli, finiture e misure al fine di migliorare il prodotto. Le illustrazioni contenute nel presente catalogo non comportano obbligo di fedele riproduzione.

General sales conditions

1. ORDERS, CONFIRMATION AND DELIVERY

Orders are considered accepted by SPHERA SRL upon receipt by Customer of the order confirmation issued by the Seller (SPHERA SRL). If the order confirmation contains changes respect the original order, the changes are considered automatically accepted after 24 hours of the transmission of the order confirmation, as per the indication on our order confirmation, without any Customer written claim. Without prejudice to the execution of the orders following the respective order confirmation, SPHERA SRL may suspend and/or cease the production of articles if market and/or production demands in any moment and without prior notice, and without the Reseller can make any claim or complaint. The delivery terms, if indicated, are only indicative and never mandatory; any possible delay can never constitute a source of compensation for damages, nor cause for termination of the contract. The agreed delivery term will be automatically suspended in case of non-payment or late payment by the Reseller.

2. PRICES

The prices are those that appear on SPHERA SRL price list in force at the time of shipment of the goods, or, in any case, those normally charged by the Seller. The Seller will be entitled to change prices with 30 days notice. The prices printed on SPHERA SRL catalogue/price list are net of transport costs and are recommended to the public.

3. PAYMENT CONDITIONS

Non-payment and/or late payment respect the terms specified in the Purchaser's order accepted by SPHERA SRL, or failing which, in SPHERA SRL invoice, will be subject to a default interest determined in accordance with Art.5 Legislative Decree 231/2022. Any requests for payment changes must be sent only and exclusively in writing. It is at the discretion of SPHERA SRL to accept what requested. The Retailer can not propose questions, actions, or raise objections against SPHERA SRL, unless after having provided for the payment of all amounts due to the same for capital, interest and expenses in relation to the supply of goods. The terms and payment conditions included financial and/or trade discounts as well any other contributions are linked to compliance with the payment of the supplies in the agreed terms.

4. TRANSPORT

Transport and insurance costs as well as the risks associated with transport are the responsibility of the Reseller and the delivery (and return) of the products takes place at our factory in Via Boggia, 45 Loc. Gattico, Gattico - Veruno.

5. CLAIMS AND RETURNS

The Customer, under penalty of forfeiture of the guarantee, must examine the products and ascertain the accuracy of the supply in terms of quantity and quality within the following 8 days. He is required to notify the Seller in writing of the existence of defects and discrepancies on quality, under penalty of forfeiture of the guarantee. Once this term has elapsed, the supply will be deemed to have been accepted without reserves by the Customer with the consequent waiver of the same to claim any defect and/or claim in the future. Returns are accepted on incorrect orders by the Customer: the transport costs, returns and an additional 20% on the taxable amount are charged to the same. The Dealer will be responsible for paying all taxes, duties, fiscal and/or administrative charges, as well as costs and expenses of any kind foreseen by state, governmental and/or administrative bodies in relation to the purchase, importation and the export and resale of products.

General sales conditions

6. WARRANTY

The warranty on SPHERA SRL products is 2 years and the date of purchase by the Reseller from the Seller is valid and is not renewable. To preserve the quality of the finishes over time, we only recommend cleaning the products with a soft cloth, soap and water. In no case should abrasive detergents or detergents with acid or corrosive substances be used. However, the guarantee is not applicable in the following cases:

- Incorrect or non-compliant installation of the product;
- Accidental dents due to negligence of use or intentional;
- Incorrect maintenance of the Products;
- Incorrect function of the product due to the quality of the water (rust, undrinkable water with the presence of foreign bodies, limestone...)
- Deterioration of the chromed or painted finish due to the use of products not recommended (see above) for cleaning;
- Aesthetic defects such as stains, scratches or dents not communicated prior to installation of the Product;
- Lack of maintenance of the Product such as lack of cleaning;
- Disassembly or tampering with the cartridge;
- Carelessness on site;
- Product wear;
- Pressures higher than 5 BAR.

7. APPLICABLE LAW AND JURISDICTION

Any relationship and/or dispute between the Parties will be governed and regulated by Italian law, and is the exclusive competence of the Court of Novara.

8. PERSONAL DATA PROCESSING (Legislative Decree 196/2003)

Pursuant to and by effect of Legislative Decree 196/2003, the undersigned declares to have received the information note referred to in Article 13 of the aforementioned decree and to have read the rights recognized therein. Consequently, he gives his unconditional consent to the processing, communication and dissemination in Italy and abroad, also in countries not belonging to the European Union, of his personal data, including "sensitive data". This for the purpose of cataloguing, processing, conservation and registration of the same in the company archives, as well as for management, promotional, advertising, transmission of commercial and technical information, market research and in particular, without limiting intent, for all suitable uses to ensure greater protection and safety of the purchased good.
